## THE GUIDE: SEVENTH EDITION

Hi! My name is Goldie and I am the founder of City Sessions Denver. City Sessions is a cannabis tourism and lifestyle brand that specializes in immersion experiences of the industry with an educational focus. Servicing first-time consumers, regular consumers, industry investors and medical patients our goal is to provide a road map to navigate the cannabis plant and product line so our guests know how to select products and strains based on the desired effect they are looking to achieve or ailment they are looking to combat.

In addition, our education platform, The Human Side of Cannabis is a comprehensive blog series that provides in-depth information on cannabis and how to incorporate it into your lifestyle. This year we are bringing The Human Side of Cannabis to life with free education sessions out of our new office space located in the RiNo Art District (3377 Blake Street Unit 107). For a list of upcoming dates please check our website.

As for the Guidebook, this is your guide to exploring the best of the local Denver cannabis industry. In this guide, we bring forward our exclusive community which is made up of the HIGHEST quality companies and brands in the Colorado market. Each of these businesses has been vetted by our staff, and have been given the City Sessions Seal of Approval for their dedication to quality and exemplary service. We at City Sessions believe cannabis is a quality of life plant and encourage you to explore the products in this guide to elevate your experiences or aid in an ailment. Follow us as we enlighten you on what's going on with our partners and educate you through our platforms on this remarkable plant. Stay in the know at [CitySessionsDenver.com](http://CitySessionsDenver.com).

**Enjoy the journey of exploring and  
incorporating cannabis into your lifestyle!**

## About

LOVA was founded by a family of Pioneers. Our team has been involved in the cannabis industry since legalization in Colorado. In fact, our Edgewater Dispensary had the first legal recreational sale of cannabis in the United States. Needless to say, we care about the plant, the product, the people and the community around us. We hope to lead the way in consistency, quality, and innovation by providing an unforgettable retail experience at our stores and through our top quality flower at our craft cultivation facility. Everything we do is made with LOVA and we look forward to sharing our craft with you.

## STRAIN: MOONSHINE HAZE

A staple since 2015, Moonshine Haze is a Sativa-Dominant Hybrid. Moonshine Haze has a very sweet, sugar-candy like haze aroma and taste profile with balanced, uplifting effects that are hard to resist.

Cheba Hut "Toasted" Subs is located on Colfax and Washington, just down the street from the Fillmore. Best sandwiches in town as well as munchies, salads, and a full bar with 20 beers on tap!
